*UPDATE: Approximately 60 guests supped on seafood risotto, and then participated in an old-fashioned chocolate Easter egg hunt at our Friends of Canada 'Canada Night' on April 15 at Neo Elleniko restaurant; amongst the intrepid hunters were the Canadian Ambassador to Greece, **Robert Peck**, **Maria Pantazi-Peck**, and **Paula Lucas**, American author of 'Harvesting Stones'.*

*As usual, several guests walked away with free gifts! We thank our door prize sponsors: **Sudha Nair-Iliades***

, publisher, Insider Athens (

Katerina Trambakou

, manager, Diktion (
